First Day of School

Students and staff were all smiles during the first day of school in the Sumner School District. Victor Falls Principal Beth Dykman, top left, greets families, while Mountain View Middle School staff members, top right, Donna Thompson, Sally Kinzel, Ed Lynch and Julie Laurentano, welcome incoming sixth grade students. A couple of Emerald Hills Elementary school students, bottom left, raise their hands during class and a trio of Lakeridge Middle School students are happy about the new school year.
