

Fast Start Application

Any student who has completed high school level courses while in grades seven or eight shall, upon the request of the parent, be given high school credit, **once the student has enrolled in high school**. The courses shall be posted on the high school transcript with grade and credit earned. Credits shall apply toward fulfilling high school graduation requirements. Application may be made at anytime during high school.

Student Name _____

Parent Name _____

Address _____

Date of Request _____ Current Grade Level _____

High School _____ Middle School _____

Specific Course Information

Year Taken	Course Title	Grade Level	Course Grade	Counselor Initial

Procedure:

- Obtain a copy of your academic history from the high school guidance office.
- If the course you are requesting to Fast Start is a yearlong course, please list each semester separately. Both semesters of a yearlong course must be listed.
- List the course grade you received as it is indicated on your academic history.

Year Taken	Course Title	Grade Level	Course Grade	Counselor Initial
2011	Algebra S1	8	B	example
2011	Algebra S2	8	B+	example

- Return signed and completed form to the high school guidance office.

Please Note:

- Fast Start credits become a permanent part of your high school accumulative grade point average. **Once posted to transcript they cannot be removed.**
