

On May 24th **Buckaroo Bob** will be bringing in ponies for the children to sit on and possibly ride a short distance depending on whether or not the child is developmentally ready. The children will be accompanied by an adult and will at no time be left un-supervised by a staff member from Panther Cubs Learning Center. Following the ride each child will wash his/her hands with soap and water. If a child seems scared or voices concern about riding the pony, he/she will not be forced. While sitting on the pony each child's picture will be taken. Later three or four poses of each child will be sent to us and parents can choose to purchase all, none or some.

Please complete and return this form if you are interested in your child participating in the pony rides. Please give this form to your child's teacher.
